MARC Scholarship Application Instructions

1. This page is not a part of the application and need not be submitted.
2. The application and transcript **MUST** be postmarked during the application filing window of October 1st to May 1st. There are no exceptions. All applications or transcripts postmarked prior to October 1st 2007 or after May 1st 2008 will be disqualified.
3. Scholarships are awarded for the academic year that will begin no earlier than May 15th following the application deadline.
4. A signed original application and paper copies of all transcripts are required. No email submissions. Mail applications to address above.
5. Transcripts must cover your entire high school career to date and, if in college, must include all semesters for which grades have been awarded.
6. Letters of reference are not required, but can be attached by applicant (no more than three).
7. Introductory letters from applicants can be attached, but are not required.
8. If the space provided for your responses is not large enough, you may write "see attached" on the application and include an enclosure or resume. Be sure the enclosure or resume is clearly marked as to the question each portion applies and includes your full name.
9. Use only one side of the application form. Please do not write on the reverse side. Attach additional sheets as necessary.
10. The narrative responses to questions 6 (the role of amateur radio) and 7 (why you made these choices) must not exceed one page each.
11. Please ensure each entry can be fully understood and appreciated by the members of the Midland Amateur Radio Club. For example, indicating membership in Tau Beta Pi does not completely explain the nature of the honor. It would be better to indicate that one was elected to membership in the National Honorary Engineering Fraternity, Tau Beta Pi.
12. Scholarship is for one time payment of \$500 paid to school for tuition
